Connects to any CRM or platform

Plugs into your tools. Syncs both ways.
Nothing new to learn.

Decides every follow up on its own

Knows when to nudge, when to wait and when to escalate.

Switches to the right channel

Call, WhatsApp, Email and Instagram.
Wherever the lead replies.

REAL CLIENT RESULTS

3.1_x

More qualified demos than a human SDR.

<20_s

First reply. Any hour.

24/7

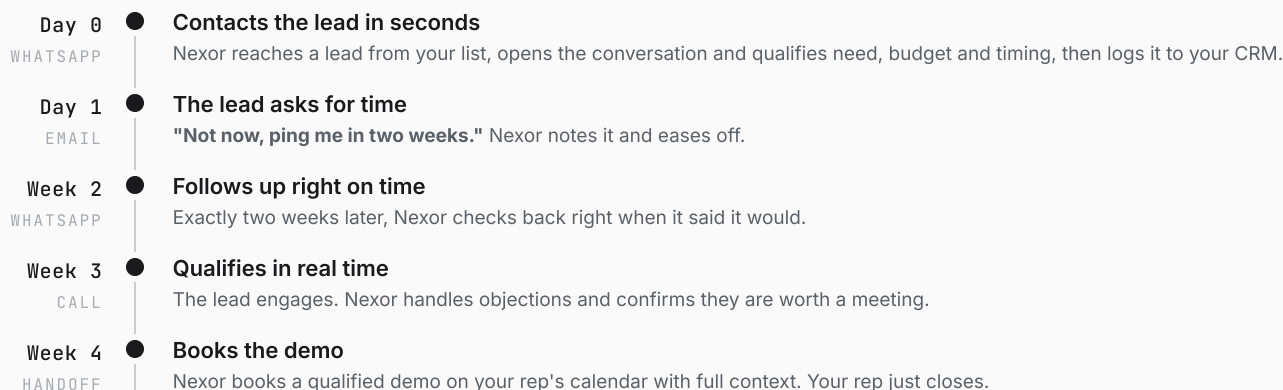

Every lead worked, every channel.

100%

Of your list worked. Never skipped.

From the list to a booked demo. We never let one go cold.

Some reply the first day. Some take a few weeks. Nexor works every lead on your list, qualifies in real time and books the demo on your rep's calendar.

Nexor runs your outbound pipeline

AI sales agents that contact, qualify and book qualified demos across Call, WhatsApp, Email and Instagram. 24/7, in English and Spanish.

01

Work every lead on your list

Nexor contacts every lead you have in under 20 seconds, opens the conversation and qualifies need, budget and timing, across Call, WhatsApp, Email and Instagram.

<20s first touch

Qualifies in real time

Call, WhatsApp, Email, Instagram

02

Book qualified demos

Nexor books the meeting straight onto your rep's calendar with full context, sends reminders so prospects show, and reschedules when plans change. It books **3.1x more demos** than a human SDR.

Books onto your calendar

Reminders cut no shows

3.1x more demos than a human SDR

03

Wake up your cold list

Nexor syncs with the CRM you already use, reopens every cold and lost lead and nurtures on its own cadence, then hands a ready prospect to your rep.

Reactivates cold lists

Honors "ping me later"

Hands over ready prospects

04

Chase every non responder

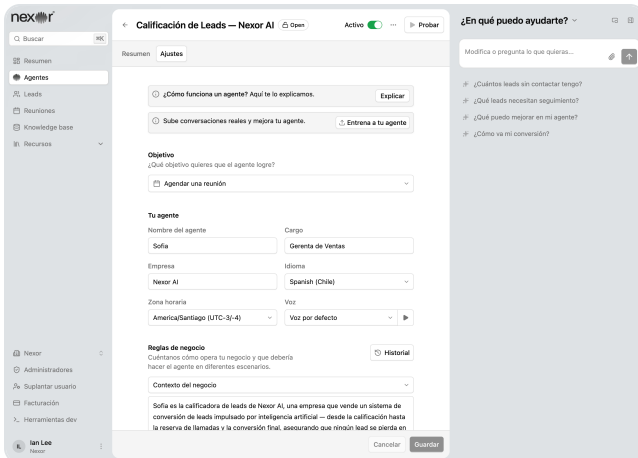

Prospects who go quiet or miss the call do not get dropped. Nexor keeps following up across every channel until they book the demo or give a clear no.

Chases non responders

Recovers no shows

Until they book or say no

AI Agents, easy to configure and understand
