Connects to any CRM or platform

Plugs into your tools. Syncs both ways.
Nothing new to learn.

Decides every follow up on its own

Knows when to nudge, when to wait and when to escalate.

Switches to the right channel

Call, WhatsApp, Email and Instagram.
Wherever the lead replies.

REAL CLIENT RESULTS

9_x

Apartment reservations in one quarter.

<20_s

Reply time. Any hour.

3.1_x

More qualified buyers than a human rep.

100%

Of paid leads worked. Never abandoned.

Instant to months out. We never forget a lead.

Some leads buy the same day. Some take months. Nexor replies in seconds and keeps following up on the lead's terms, every time, until they book or buy.

- Day 0**
WHATSAPP
Replies in under 20 seconds
 A buyer fills a form at 11:47pm. Nexor qualifies budget, area and timeline, then logs everything to your CRM.
- Week 1**
WHATSAPP
The lead asks for time
 "Not now, reach out after the holidays." Nexor notes it and goes quiet.
- Month 1**
WHATSAPP
Follows up right on time
 Just after the holidays, Nexor checks back exactly when it said it would.
- Month 2**
INSTAGRAM
Follows the lead's channel
 The lead messages on Instagram about a job move. Nexor picks it up right there.
- Month 3**
CALL
Books, then hands over
 Nexor calls to requalify, books the showing, and hands your agent a ready buyer who signs that week.

Nexor runs your real estate pipeline

AI sales agents that capture, qualify and tour every buyer across Call, WhatsApp, Email and Instagram. 24/7, in English and Spanish.

01

Catch every buyer in seconds

The moment a lead writes from a portal, a listing or a DM, Nexor replies and qualifies budget, area and timeline. No buyer waits in a queue while a competing agent answers first.

02

Book and run every showing

Nexor puts viewings straight onto your agents' calendar, sends reminders so buyers actually show, reschedules when plans change and follows up the moment a visit ends. It drove **9x reservations** across a four building portfolio in one quarter.

03

Wake up your dead leads

Nexor syncs with the CRM you already use, reopens every cold contact and nurtures over weeks or months, honoring the timing each buyer asked for, then hands the ready buyer to a human agent to close.

Reactivates cold databases

Honors "call me later"

Hands ready buyers over

04

Nurture future buyers

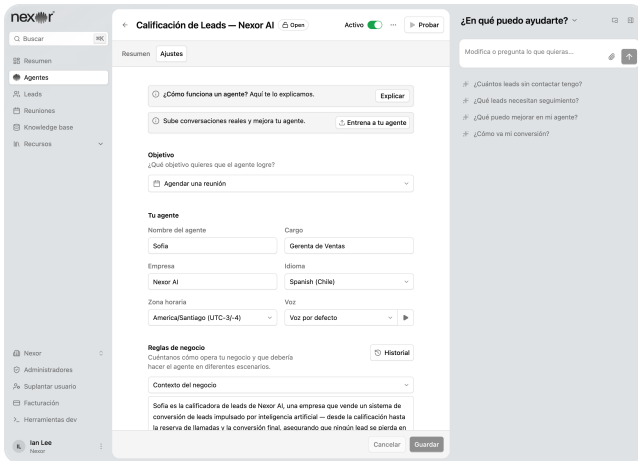

Some leads are not ready to buy now but could be great in the future. Nexor nurtures them for months on its own cadence and brings each one back the moment the timing is right.

Keeps future buyers warm

Nurtures for months

Returns them when ready

AI Agents, easy to configure and understand

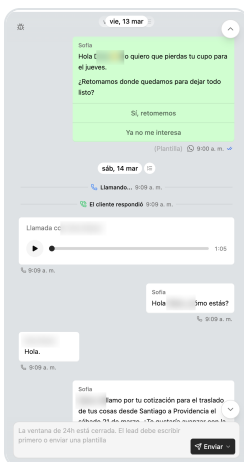

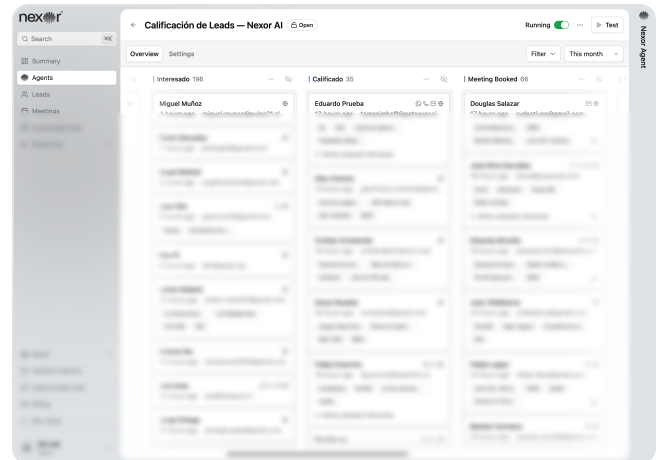

Set up in minutes

Configure your agent yourself, or just tell our setup agent what your business does. Your agent is **ready to test in 10 minutes**.

Total visibility and integration with your CRM

Every lead and every stage in one view. Nexor syncs both ways with the CRM you already use.

All conversations logged and stored

Chat and call, every interaction captured and stored in one place. Full history on every lead.
